LPGA USGA Girls Golf Sites administered by Girls Golf Club of Dallas Texas, Inc is a “drop off and pick up program only”. *The Girls Golf program is designed for the girls; it is their program and their space.* It is a time for them to interact with one another, to grow in ability, to become independent, self sufficient and social in a SAFE *non- invasive* atmosphere.

When safety dictates please accompany the girls to the registration table & in particular when crossing parking lots, streets and from longer distances. When the girls reach the registration table please allow them to begin their participation without your assistance and without delay.

Please help us keep your children safe “We all do not know all of you”. Staff members are also very busy and need space in which to work– please respect their dedication and willingness to spend time teaching your children by following parent policies.

Excessive violations of this policy will be treated more seriously this year. If necessary, eligibility for Girls Golf will be revoked with no opportunity for a refund of membership fees.

The thing that sets golf apart from the other sports is that it takes self-confidence, an ability to rely totally on yourself.
